April 13, 2010

To Township Administrators,

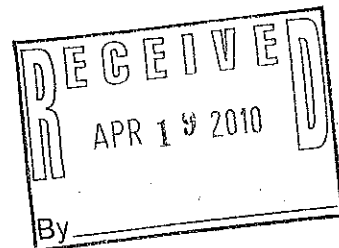

We are requesting that you share some important information with your township residents. The Burlington County Health Department has a free Well Baby Clinic that provides routine physicals and immunization for children from birth through pre-school. This service is for those children that are uninsured. Parents must call the number on the brochure for an appointment.

Please post our brochures in your bulletin, if possible. You may also make copies of the brochures as well. If you have any questions, please call me at (609) 267-1950 extension 42878.

Thank you,

Diane Vesci, RN  
Clinic Coordinator
