Date: Monday, March 8th, 2010

Time: 12:00 p. m.

Please feel free to bring a friend who is a Mount Laurel Resident 55+

Each and every month we join together at the center for a covered dish luncheon of some sort. To celebrate Post-Spring we are having an Around the World Potluck Luncheon. For a fun international twist & a variation on the traditional potluck dinner will be asking attendees to bring new and try new dishes from across the globe. We are trying to spice things up by diversifying and trying distinctive dishes from new cultures.
