### POST-SPRING 2009

#### APRIL, MAY, JUNE

The Burlington County Office on Aging Outreach Program will be available once a month during the winter semester. Please sign up in advance at the front desk. If a consultation is needed on a specific date, please contact their office and ask for Lucielle, our county representative to set up any appointments. All meetings begin promptly at 10:30 a.m. or drop-in if assistance is needed that day. The representative will only be here on requested dates...please make sure to sign up with Mary or Alissa so we can call.

Each and every month we join together at the Center for a covered dish party of some sort. To celebrate Post-Spring we are having our 1st  
"50s Spring Bunny Hop Luncheon".

We have decided this season to set-up for a  
"1950's Sock Hop" on May 4th 2009. Decaf and Flavored Teas along with Decaf Coffee will be served complimentary of the Center. Alissa and Mary will supply treats. I am asking that all attendees sign-up at the table with your name, phone number and your absolute favorite OLDTIME DISH (hopefully homemade with a HOP) that you will be contributing for the day. Please dress to impress...50's style. May you be filled with memories when you see the décor and motif which will represent a room full of bunnies and records. Please bring a dish with your recipe card filled out for others to share. If you choose to dress up please wear your favorite Spring pin, brooch, hat, scarf, necklace, or some sort of jewels. See invitation for list of fun throw-backs to wear. We are looking to offer you a "Hoppy" ambience for the day. Bring lots of hops and treats to share as well.

Please feel free to contact the Parks and Recreation office at 234.0001 ext. 261 to make arrangements for pick-up (Mount Laurel Residents only) for Mondays, Wednesdays and Fridays (subject to availability) and by appointment only. Please make sure to have

completed registration form sent to the Parks and Recreation Department for approval to begin the process. The full application will need to be filled out and approved prior to making any further arrangements. Please give enough notice, which would be a minimum of one week in advance.

Please note: Tuesdays and Thursdays the bus is used for food and mall shopping.

Contact: Sue Hogan for scheduling any pick-ups or drop-offs.

POST-SPRING 2009

Each and every month we join together at the Center for a covered dish party of some sort. This past month to celebrate we had our “Leprechaun’s Luncheon” in March for Saint Patrick’s Day.

We had a motif of shamrocks, leprechauns, pots of gold and the like. It was quite successful with approximately 45 people who attended. We had a brilliant variety of irish dishes for all to share. Each attendee had a cupcake at their place setting provided by Alissa and Mary to show the luck we have for our seniors. We love the fact that you support the center and look forward to our monthly luncheons. We have lots of fun preparing each and every one of them for you. We gather all of your compliments and the joy of your expressions as you walk through the door to join us. We hope you all had as much fun as we did. I also want to mention that we some irish song sing-a-longs and music provided, which was a pleasure. It made for a wonderful way to celebrate the holiday together.

### HOPE WE MADE YOUR SAINT PATRICK’S DAY SPECIAL!

Thanks to all who attended another fabulous luncheon.

For the past three years we have covered every topic for the different health awareness months for the years. Beginning in April we will be asking you to nominate a special person that comes to our center and why you have chosen them to be

recognized in our newsletter.
