Despite aggressive Township efforts to preserve open space, court-ordered residential development continues in Mount Laurel. Construction commenced on projects at Briggs and Union Mill Road and on Centerton Road. There are also proposed projects for the land between Route 38 and Fostertown Road and for the land between Marne Highway and the NJ Turnpike. This sudden uptick in residential development is the result of the settlement that the Township entered regarding our State mandated affordable housing obligation. While the State initially mandated the Township produce more than 2,000 homes, the Township aggressively negotiated that figure and cut it in half. With our infrastructure already stretched and traffic past capacity on many roadways in town, Council believed that the number of new units being required was too high and would put a significant strain on our resources and our residents.

The Township is doing everything in its power to minimize the impact that these new developments will have on our residents and infrastructure. We are permitted to set parameters for the developments and influence the plans. We also are working to ensure that the developers contribute to the improvements needed on our roads and intersections as this housing is completed. To that end, the developer of the Union Mill and Briggs Road project agreed as part of the settlement to contribute $3 million toward Union Mill Road improvements.

Additionally, we continue to aggressively pursue the purchase of existing open space in the Township. The residents voted heavily in favor of the open space program several times and since its inception, the Township has permanently preserved more than 1,319 acres of land. Developers were simultaneously pursuing these same lands. For example, Trotter’s Crossing on Walton Avenue was slated for 153 homes, the lands at the corner of Hartford and Hainesport-Mount Laurel Roads received approvals for over 50 homes and the Township’s 2018 purchase of land formerly owned by the Cistercian Monks prevented a homebuilder from constructing nearly 90 additional homes. You can see the map of preserved land here and on the Township’s website at www.mountlaurel.com. We continue to negotiate on developable properties as they become available.

Rest assured, the Township remains committed to aggressively pursuing the purchase of developable lands to prevent more housing. If you have any additional questions, please e-mail at kfolcher@mountlaurel.com.

- Mayor Kurt Folcher
Meet Your Elected Officials

Kurt Folcher is a political outsider, coach and dedicated volunteer with over a decade of experience in finance and business. His career as a Vice President of Investments and Retirements Services provides him with the experience necessary to plan a sound and responsible financial future for Mount Laurel.

He’s a long-time lacrosse, baseball and basketball coach, former member of the zoning board and library board. He currently serves as the Mayor representative on the Mount Laurel Planning Board. He’s in Regional Networking Groups to attract new businesses and the jobs they create for our community.

Kurt and his wife Carol have lived in Mount Laurel for 20 years. A proud father of two, Kurt volunteers as the legislative liaison for his son and daughter’s school. He is a Gettysburg College graduate with a BA in Human Resource Management.

Linda Bobo has lived in Burlington County for 26 years. Linda is the Director of Program Development and Instruction for Rowan College at Burlington County in the Workforce Development Institute Division.

Prior to joining Rowan College at Burlington County, Linda was a small business owner and founder of Kinderlanguage, a program to introduce young children to second languages. She is also the author of the Kinderlanguage program. As a small business owner in the Education Services Industry, Linda has a rare blend of business and educational insight. The company was sold in 2013.

Linda is a Saint Joseph’s University MBA graduate and holds a BS from Rider University. Linda has also served as an adjunct professor at Rowan College at Burlington County. Prior to founding Kinderlanguage, Linda was Assistant Vice President for a Public Affairs Software and Consulting Company. There, she oversaw the software system division and managed Fortune 500 clients nationally.

Linda was recently featured in the Courier Post Publication Women on the Run for achieving success, making a difference, juggling work and family and serving as a role model for others.

In addition to her professional life, Linda is involved in many other community activities. Linda has been serving on the Mount Laurel Governing Body for the last 10 years and has served as Mayor and Deputy Mayor. Linda was a co-leader of Junior Girl Scout Troop 22353 and volunteers at her children’s schools and PTO functions. Linda is one of the founding members of the Mount Laurel Green Team and has served on the Mount Laurel Library Board and Planning Board.

Linda is the Founder of Helping Hands at Springville Elementary School. Helping Hands is a family support system that provides assistance to local families during difficult times. In 2005, Linda received the Mount Laurel Community Partner Award from Mount Laurel Schools for founding Helping Hands.
Councilman Irwin Edelson
iedelson@mountlaurel.com

Irwin Edelson has lived in the Larchmont section of Mount Laurel for 37 years with his wife Marie. He has two children, ages 35 and 33, with 2 grandchildren ages 2 and 8 months. Both of his children attended Mount Laurel Schools and Lenape High School. Irwin is the Branch Manager of a plastic distribution and fabrication company located in Bensalem, PA. He holds an undergraduate degree in business and marketing.

Irwin has long been committed to community involvement in Mount Laurel. He has coached baseball, soccer, and basketball and is a past president of Fleetwood Athletic Association. Irwin has served on the Mount Laurel Zoning Board for 16 years, the Mount Laurel MUA Board for 12 years, the Mount Laurel Council for the past 6 years and has been the Master of Ceremonies of the Mount Laurel Fall Festival for the past 25 years.

In 2003, Kareem Pritchett was hired by the N.J. Juvenile Justice Commission and started his impeccable career as a Correctional Police Officer. Striving to take advantage of every opportunity, Kareem has always been determined to become an invaluable asset to his department and personal endeavors. Kareem takes great pride in his leadership qualities and professionalism. He remains committed to serving others in the workplace and the community. In 2011, Kareem was voted Officer of the Year. A year later he was elected by his peers to represent them in their union, PBA Local 105. Kareem served two terms as an Executive Vice President representing the Juvenile Justice Commission and State Parole Officers on the executive board of PBA Local 105, which is the largest law enforcement local in the state serving over 6000 members. Later, Kareem took the leap and with support of his family decided to run for Town Council of Mount Laurel Township representing the Democratic Party and was elected in November of 2018. Currently, Kareem serves as a Drill Instructor for the Juvenile Justice Commission Training Academy in Sea Girt, New Jersey.

Councilman Kareem Pritchett
kpritchett@mountlaurel.com

Stephen Steglik, 28, is one of our newly elected councilmen in Mount Laurel. His education background consists of a Bachelor’s degree in Political Science from Hofstra University and a Master’s in Public Administration from the University of Pennsylvania. Currently Stephen works at the University of Pennsylvania’s School of Nursing as their marketing and communications coordinator. This role specializes in digital marketing, website content creation, and social media management. When he is not working or volunteering his time, Stephen enjoys playing his guitar as well as spending time with his niece and nephews.

Councilman Stephen Steglik
ssteglik@mountlaurel.com

Meet Your Elected Officials

The Township Council is always accepting applications to various boards within the township. Please visit www.mountlaurel.com for information on how to apply for the following positions: Green Team, Planning Board, Library Board of Trustees, Municipal Utilities Authority Board, Site Plan Review Advisory Board, Zoning Board of Adjustment.
Mount Laurel EMS

Mount Laurel EMS Class List & Schedule

**FEMA “Until Help Arrives”**  
*April 19th - 7PM-10PM • August 30th - 7PM-10PM*

If someone is injured, the first few minutes are critical in helping the chances of surviving serious life-threatening injuries. Would you know how to help them until professional help arrives? A new easy 6-step process will help you learn how to use simple and effective skills to *save lives and effectively communicate with 9-1-1 Operators, stay safe, stop life-threatening bleeding, manage your body under stress, and position the injured*. Attendees will have the opportunity to learn from some of the state’s most respected pre-hospital providers. This is an EXCELLENT course for the general public, security officers, community leaders, businesses and houses of worship, among others. There is no charge for this program. This program is three hours long and contains lecture, video, and hands-on elements.

**Stop the Bleed**  
*May 13th - 7PM-9PM • September 16th - 7PM-9PM*

No matter how rapid the arrival of professional emergency responders, bystanders will always be first on the scene. Research has shown that bystanders, with little or no medical training, can become heroic lifesavers. Uncontrolled bleeding injuries can result from natural and man-made disasters and from everyday accidents. Providing bystanders with basic tools and information on the simple steps they can take in an emergency situation to stop life threatening bleeding can save lives. Similar to the use of CPR or automatic defibrillators, improving public awareness about how to stop severe bleeding and expanding personal and public access to Bleeding Control Kits can be the difference between life and death for an injured person. This class will teach the bystander about the effects of blood loss, the tools available to stop bleeding and the ability to get hands on use of a tourniquet.

**Heartsaver CPR**  
*April 3rd - 7PM-10PM • May 11th 10AM-1PM • June 14th - 7PM-10PM  
July 16th - 7PM-10PM • August 12th 7PM-10PM • September 7th 7PM-10PM*

Heartsaver CPR is a classroom, video-based, instructor-led course that teaches adult and child CPR and AED use, as well as how to relieve a choking adult. This course teaches skills with AHA’s research-proven Practice-While-Watching (PWW) technique, which allows instructors to observe the students, provide feedback and guide the students’ learning of skills. This course will provide students with a two year certification card issued from the AHA.
MLEMS is always looking for volunteers to service our community. Please help us help our residents! Visit www.mlems.org to join or email us at joseph.stringfellow@mlems.org for more information.

**Friends and Family CPR**

*March 27th 7PM-9PM • June 18th 7PM-9PM*

Friends and Family CPR teaches the lifesaving skills of adult Hands-Only CPR and AED use. Skills are taught in a dynamic group environment by using the AHA’s research-proven practice-while watching technique, which provides students with the most hands-on CPR practice time possible.

**Rescue Divas**

*August 19th thru August 23rd - 8AM-4PM*

Cost is $125.00 per student

Rescue Divas is a full-day local summer camp that will run Monday, August 19th, 2019 through Friday, August 23rd, 2019. The camp is dedicated to exposing middle school aged girls to careers in emergency services. The camp is designed for girls who will enter 6th, 7th or 8th grade in the fall of 2019. The camp is a great opportunity for staff to help kids build a sense of teamwork and responsibility. Campers will be certified in CPR and First Aid.

Application can be found at www.mlems.org.

Please visit www.eventbrite.com/d/nj—mount-laurel/events/ to register for the classes

**Celebrate EMS Week and the Squad’s 25th Anniversary at our OPEN HOUSE**

*May 18th 10:00AM –6:00PM*

201 Masonville Road

Face Painting, Food, and More!
SLICES 4 SAFETY

Kids can receive a ticket for a free plain pizza slice

Mount Laurel Police Officers will be on the lookout for kids being safe. Tickets for a plain slice of pizza can be issued to kids who are observed wearing helmets, utilizing crosswalks, and just being responsible.

April 5th 2019-June 5th 2019

Sponsored By
Crust N Fire
Ciao Italia Pizza
The Mount Laurel Fire Department is excited to inform our residents that the department will be shifting our fire district election from the current statutorily mandated election requirement of the 3rd Saturday in February to the November general election. With the implementation of P.L. 2017,c.206, signed into law on August 7, 2017, fire districts across the State of New Jersey are now permitted to shift their elections to the November general election. This decision is optional. However, in order for a fire district to shift its election to coincide with the November 2019 general election, the fire district must:

1. Encompass the entire municipality;
2. The Board of Fire Commissioners must adopt a resolution no later than the submission of their approved budget or sixty (60) days prior to February 16, 2019, whichever is earlier.

A copy of the resolution shall be submitted to the Division of Local Government Services (DLGS), the municipal clerk, and the board of elections of the county in which the fire district is situated.

Local Finance Notice (LFN) 2018-22 contains a complete overview of the law and may be found on the Division of Local Governmental Services website at www.nj.gov/dca/divisions/dlgs.

Some of the more notable changes include:
- Once a fire district chooses to shift it may not shift back.
- The fire district’s budget will no longer require voter approval (unless it exceeds the 2% cap).
- Budget adoption timelines remain unchanged.
- Referendums to exceed the two percent 2% levy cap and release restricted fund balance will continue to be held on the third Saturday in February.

Special meetings to approve capital appropriations for inclusion in the next succeeding annual budget will have more stringent notice requirements. For information on our meeting dates, upcoming events, career opportunities, or how to become a volunteer, visit our website at www.mlfd.org. On behalf of the Board of Fire Commissioners and the members of the Mount Laurel Fire Department, we thank you for your continued support.

Sincerely,
John M. Colucci, CPM
Chief of Department
Maker Space

Last year, the library opened a dedicated Maker Space room to give our users the opportunity to come and play with the many different tools, toys, and equipment we have on hand, like the 3D printer, sewing machines, snap circuits, button makers, etc. We have open drop-in times scheduled each month when library users are welcome to come and try out anything we have on hand. There is always a library staff member on hand during these times to offer any assistance that is necessary.

We have two new additions to the Maker Space this year. Earlier in the year we added Keva Planks to our collection. These building blocks introduce kids to the principles of engineering and architecture while encouraging them to design and build towering, free-standing structures. We offer two dedicated programs each month, one for kids and one for adults to where we provide opportunities for free building as well as timed challenges for our patrons to test their ingenuity and skill.

Most recently, the Mount Laurel Rotary Club donated funds to the library to allow us to purchase a Cricut Maker machine. This is a cutting tool that is potentially capable of cutting materials from paper and fabric to vinyl and iron-ons, to leather and thin balsa wood. It can be used to create items from greeting cards to ornaments to pattern pieces for sewing projects. Check out the Cricut Design Space website or mobile app to see the many things you can create, then come in to the library to try them out.
Laurel Acres Park

The Laurel Acres Park bathrooms and the large pavilion at the Church Street entrance will be under going renovations and we expect them to be open to the public again in the Spring. During this time temporary bathrooms will be in place for residents to use and the small pavilion is available for rent. Looking to rent one or both of the pavilions at Laurel Acres Park for a party or event? You can find the application online by visiting www.mountlaurel.com and clicking on the Parks and Recreation page.

2019 Events at Laurel Acres Park

• Clean Up Day - April 27th 9:00 AM-12:00 PM
• Memorial Day Tribute - May 30th 6:00 PM
• Summer Concert - July 11th 6:30-7:45 PM
• Summer Movie - July 12th Begins at Dusk
• Summer Movie - July 16th Begins at Dusk
• Summer Concert - July 25th 6:30-8:00 PM
• Summer Movie - July 26th Begins at Dusk
• National Night Out - August 6th 5:30-8:00 PM
• Summer Movie - August 16th Begins at Dusk
• Fall Festival /5k - September 21st 11:00-4 PM

More information on the events at Laurel Acres Park can be found by visiting www.mountlaurel.com
Quick Facts

→ As a reminder contractor generated debris can not go out with the trash. The contractor is responsible for the disposal.

→ Mattresses, dressers, chairs, sofas and other furniture can be put out with your regular trash. You do not have to schedule a pick-up.

→ The Township and trash hauler cannot pick-up or accept concrete, bricks, stone, dirt, sod, asphalt, etc. These items are the responsibility of the homeowner to dispose of.

→ The Township holds a hazardous material drop-off on the first Saturday of every month (unless a holiday weekend at which it will be moved to the following weekend). Drop-off is at the Recycling Center on Midlantic drive. Hours of operation for the drop-off are 8:00 am to 12:00 pm. Residents are required to show proof of residency at the drop-off. Allowable items: Paint (latex and oil based), solvents, driveway sealers, aerosols, antifreeze, oil, batteries, fluorescent tubes and ballasts, pesticides, pool chemicals and gasoline (which should be brought in a clearly marked container).

The Mount Laurel Township recycling center will no longer accept TVs to be dropped off. Residents can still have their TVs picked up on Wednesdays by calling public works and scheduling a pick-up.

Green Team News

Recycling Flexible Plastic Film

Burlington County recycles limited plastics; flexible plastic film which is made into dry cleaning bags, grocery bags, bubble wrap, to name a few, are not collected by the county. Last winter, the Mt. Laurel Green Team collected plastic film at the Mt. Laurel recycling center and the Mt. Laurel Library as part of a Rutgers Environmental Steward’s project. It was a huge success due to neighbors like you. Over 500 pounds of plastic film was collected and Mt. Laurel received a free park bench which is now installed at Laurel Acres near the expanded dog park.

Although the project ended and plastic film is no longer accepted at the recycling center or the library, the Green Team urges residents to continue recycling plastic film. Most grocery stores have bins for plastic bag recycling but our own Mt. Laurel Wegmans located at 2 Centerton Road accepts other plastic film, including bread bags, bulk packaging overwrap, shipping pillow packs, cereal box liners, and more – see diagram.

The Mount Laurel Green Team urges residents to start or continue to recycle plastic film. The additional plastic recycled will reduce Mt. Laurel’s carbon footprint by diverting this plastic from the landfill.

For more information about the Mount Laurel Green Team visit us at www.mountlaurel.com
Mount Laurel Township’s economic development team is excited to welcome new businesses to town.

Ma & Pa’s Tex-Mex BBQ comes to Rancocas Woods Village of Shops. Located at 116 Creek Road, Ma & Pa’s serves tacos, quesadillas, burritos, burrito bowls, nachos as well as salads – vegetarian, brisket, shrimp, chicken or fish. Rice and beans can be served with meals as well as turn them into platters. Owner, Alex Martinez and partner Sarah Marsh, opened their restaurant in November and have been very successful since then. The hours of operation are Tuesday through Sunday, 11AM to 6PM. On Friday and Saturday, hours are extended to 8PM.

Laurel Brook Rehabilitation and Healthcare Center, located at 3718 Church Road, has a new owner and operator. Marquis Health Services has been busy with their quest and vision for enhancement of care and services at the former Mount Laurel Center. Mar-quis (www.mhslp.com), a NJ based sub-acute rehabilitation and long-term care provider with a 22 center portfolio presence across 5 states assumed operations of the former Mount Laurel location in July 2017. In the state of NJ, Marquis owns and operates five Centers for Medicare and Medicaid 5 star rated centers. Marquis continues to advance the “next level” planning for Laurel Brook and considers the Mt Laurel community amongst the most important to keep abreast of advancement and progress.

Kennedy Fitness, located at 3 Hovtech Boulevard, is now a proud affiliate of the Jefferson Health System and the premiere family fitness center serving the Mount Laurel and surrounding area. Kennedy Fitness has everything you need to kick your fitness level in-to high gear, mixed with spa-like services that will help you relax and recover after an energetic workout. Check out their heated indoor swimming pool, strength and resistance center, exciting group exercise and group cycling classes, yoga studio and over 13 different lines of exercise equipment in the cardio center.
From the Tax Office

2nd Quarter Property taxes

- Please note the 2019 2nd quarter property taxes are due on May 1, 2019. Any tax payments received after Friday, May 10th, 2019 will accrue interest back to May 1, 2019.

- The township offers an ACH Direct Debit program for property taxes. If you are interested in participating, please check our website for more information including the application.
