This is the application for the Mount Laurel Township Affordable Housing Program. You will be given a list of supporting documentation that must be submitted at the time this application is submitted and is required in order to be certified for this program. When an affordable home becomes available, eligible candidates will be contacted. At that time, you may be asked for additional documentation to support your application. We cannot guarantee housing. This is based on what becomes available and if you qualify based on your income and family size. All of the affordable units in Mount Laurel Township are privately owned. Application services are provided by Mount Laurel Township Office of Affordable Housing. This is an Equal Housing opportunity. This program is subject to municipal and state affordable housing regulations, but no guarantee can be made that these homes are affordable to all applicants. This program is subject to availability. Prices, terms and conditions are subject to change without notice.
Dear Affordable Housing Applicant:

Thank you for inquiring about affordable housing with Mount Laurel Township. We currently administer Affordable Housing Units throughout Mount Laurel/Burlington County. However, we receive a greater number of applications than there are units available, so placement in a unit is often not immediate.

In order to be eligible for an affordable housing unit, you must meet certain income limits as determined by the New Jersey Department of Community Affairs (DCA). Income limits are determined by region. Our housing units are located in region 5, which includes the following counties: Burlington, Camden, and Gloucester. Income limits can vary from year to year and depend upon the number of persons in the household. The income limits for 2019 are:

If you believe you fall within these income limits, fill out and submit this application to our office, along with all necessary documentation indicated and income verification. If you are selected for a rental unit you will be required to have a credit check by the landlord, for purchase units you will be required to obtain a mortgage. If you do not meet all certification criteria, you will be removed from our list and must reapply, when, and if, you meet the income requirements.

Please remember that all applications and documents are held in the strictest confidence. If you have any further questions please contact us at (856) 234-0001 x 1318.

For All Applicants

- It is unlawful to discriminate against any person making application to buy or rent a home with regard to age, race, religion, national origin, sex, handicapped, familial status or sexual orientation.

- This affordable housing must be the intended primary residence of the applicant.

- All household members who intend to reside at the affordable home must be listed in the Preliminary Application. If changes in household composition occur during the application process, or if there is a change of address, the applicant is required to notify the Township of Mount Laurel, Office of Affordable Housing in writing, immediately.

- Applications must be truthful, complete and accurate. Any false statement makes the application null and void, and subjects the applicant to penalties imposed by law.

- Annual Income includes, but is not limited to, salary or wages, alimony, child support, social security benefits, unemployment benefits, pensions, business income, and actual or imputed earnings from assets (which include bank accounts, certificates of deposit, stocks, bonds, or other securities), and real estate.

- If you own a home in which you are currently residing and which you intend to sell prior to living in an affordable home, compute your income from this asset by taking the market value of your home, subtracting any applicable broker fees AND the current principal of your mortgage, and multiply the balance by 2%. Income from other real estate holdings is determined by the actual income you receive from the asset (less expenses, but not less your mortgage payment).

- Specific documentation to verify income is due at the time of submitting your application.

- Please understand that the pricing for affordable housing is established and governed by Federal, State and / or municipal regulations. Although consideration is made for low- and moderate – categories of household incomes, sales prices do not fluctuate on the basis of each individual applicant’s income. Therefore, we cannot and do not guarantee that any home will be affordable to YOU or YOUR household.

- We do not provide financing to purchase affordable units. Financing for an affordable home is subject to terms and conditions set forth by the State of New Jersey. Monthly payments, including principal, interest, property taxes, insurance and condominium fees, may not exceed 33% of your income with the applicant receiving home-buyer counseling by an agency approved by HUD or the NJ Department of Banking and Insurance, which details the advisability of such a mortgage loan. For a list of approved counseling agencies, contact HUD or the N.J. Department of Banking and Insurance.

- If you need assistance completing this application, please contact us 856-234-0001 ext. 1318.
